ILYA NOVIK

SENIOR CONCEPTUAL CREATIVE

Warsaw, Poland | +48 519 343 555 | novik.brand@gmail.com | Telegram: @wilyam_the_originator
Work authorization: European Union (Polish national visa, type D)
Open to relocation and remote roles in Europe and the US

PROFILE

Senior conceptual creative with 8 years of experience in brand and communication strategy across creative agencies, IT and financial services. Turns business briefs into focused creative briefs, clear key messages and integrated campaign ideas for TV, online video (OLV), out-of-home (OOH), digital, social media and PR, from first idea through pitch and production. Uses AI tools across the whole creative process, from research and copy to key visuals and animatics.
Selected brands: Alfa-Bank, Yandex, Demix, PepsiCo, Citydrive.

PROFESSIONAL EXPERIENCE

Alfa-Bank (financial services) | Senior Creator (Senior Creative) | 2025-2026

- Developed big ideas and campaign concepts for TV, online video (OLV) and out-of-home (OOH) advertising.
- Created campaign concepts for the Alfa Only premium card, the Alfa Investments product and a TV manifesto campaign supporting small and medium-sized businesses.
- Translated business briefs and product offers into creative briefs with a clear key message, connecting product benefits to a broader campaign idea.

SETTERS (creative agency) | Brand & Creative Strategist | 2023-2025

- Contributed to 9 tender wins and the launch of 21 campaigns.
- Developed and launched brand campaigns, special projects, collaborations and PR concepts.
- Wrote video scripts, built creative presentations and pitched ideas to clients.
- Collaborated with strategists, art directors and media managers; oversaw execution through production and branded integrations.

RTK IT (IT company) | Brand Projects Lead, Employer Branding | 2022-2023

- Managed eight direct reports and developed employer brand communication strategy, with responsibility for brand perception and communication effectiveness.
- Developed a Programmer's Day PR project and cross-functional initiatives for employer consideration and candidate loyalty.
- Created concepts for influencer integrations and conference activations; sourced vendors for event stands.

Romashka Digital (digital agency) | Social Media Strategist / Creative Producer | 2020-2022

- Developed social media and brand communication strategies, creative frameworks and video concepts for client accounts and new business pitches.
- Assembled and coordinated project teams across design, editorial, paid media and influencer marketing; helped select video production partners.

AMDG (digital agency) | New Business Manager | 2018-2020

- Managed incoming briefs across social media, paid media, production, design, PR and online reputation management; scoped requirements and project timelines.
- Prepared and pitched proposals, presentations and budgets; represented the agency in tenders and coordinated NDAs and tender documentation.
